Care Instruction for Breathable Faux Leather Furniture.

In order to maintain the original appearance of your Breathable Faux Leather furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage Breathable Faux Leather furniture.
- Do not place your upholstered furniture too close to windows, radiators, or vents and be sure to use window, radiators, or vents.
- Vacuum or wipe with a soft brush to remove dust.
- Hardware may loosen over time. Periodically check to make sure all connection are tight, Re-tighten if necessary.

For items used on wooden floor, hard surfaces or carpets, it is recommended to install protected pads under all legs supports to avoid/prevent from damages/ scratches discoloration.

Warning!

Do not allow electrical cord to be pinched between moving parts or between the frame and the floor. Do not place cord under carpet or in location where it could become worn.

To avoid damage, please use scissors to remove this tag.
