Place the cap screw from the end through the plastic leg, insert the gasket onto the leg. Rotate clockwise to tighten the leg.

**STEP#3**

Completed.

**CARE INSTRUCTION FOR GENUINE ALL LEATHER:**

In order to maintain the original appearance of your leather furniture, please follow below simple care procedure :

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Exposure to sunlight or heating and air conditioning outlets will fade/damage leather.
- Wipe gently with a damp soft cloth to remove dust, dirt and any grime build up.

! It is recommended to install protective pads under all legs and supports to avoid damage or scratches when placing furniture on a wood floor or other hard surface, and to limit indentation and prevent discoloration if placing on carpet.
